

*“My experience at NCYC was unlike any other event I have attended. I was given the opportunity to go through school and my parish and decided to learn more information.*

*Although I was hesitant at first, I can honestly say that it was one of the best decisions I have made. The keynote speakers and the workshops were both relatable and inspiring.*

*I loved being able to strengthen my relationship with Jesus and the Catholic Church, and share my faith with others from all over the country. My favorite part of the experience was the Saturday evening Mass with over 23,000 people in Lucas Oil Stadium.*

*I am happy that I could help represent the Archdiocese of Dubuque, the largest dioceses in attendance ever! NCYC is an unforgettable experience and I hope to return in the future.”*
